Dear Mr. Porter:

I would like to take this opportunity to thank you for your collaboration during National Collegiate Alcohol Awareness Week. Bowling Green State University greatly appreciates your organization highlighting the work that we are doing to improve health and wellness on our campus.

This year, the air freshners from *DrinkingAndDriving.Org* added a unique touch as we utilized them at our campus speaker, our tabling for our Sober Driving Pledge, and our Fatal Vision Goggles. There was a new excitement generated around National Collegiate Alcohol Awareness Week this year and your collaboration certainly added to that.

Bowling Green State University supports the efforts of *DrinkingAndDriving.Org* and looks forward to collaborating with your organization again in the future. We share the same goals and hope that our successful collaboration can lead to other campuses learning about the valuable information your organization can provide.

Sincerely,

Faith Yingling, Ph.D., CHES
