

## **I Took The SoberDrivers Pledge**

**I have pledged to always drive sober.**

**By taking this pledge, I also agree that ...**

- 1. I will never willingly allow friends, family, or coworkers to drive drunk.**
- 2. When I drink I will always know my available alternatives to driving and I will ensure those around me do too.**
- 3. When I drink, I will make a plan and stick to the plan.**
